The Hall D Collaboration

Still growing, looking for input

Fourteen Institutions and about Sixty Physicists

Carnegie Mellon University (Pittsburgh)

Christopher Newport University (Newport News)

University of Connecticut (Storrs)

Florida International University (Miami)

Florida State University (Tallahassee)

University of Illinois (Champaign-Urbana)

Indiana University (Bloomington)

Institute for High Energy Physics (Protvino)

Jefferson Laboratory (Newport News)

Los Alamos National Laboratory (Los Alamos)

Norfolk State University (Norfolk)

University of Pittsburgh (Pittsburgh)

Rensselaer Polytechnic Institute (Troy)

CEA-Saclay (Gif-sur-Yvette)

Plus a theoretical physics contingent
