Notes:

- | Tag # | Device                                     | Part Number  |
|-------|--|--------------|
| 1     | VXS CRATE                                  | VM-6034-001L |
| 2     | VXS CRATE                                  | VM-6034-001L |
| 3     | TRIGGER INTERFACE (I/O)                    | IC-112P      |
| 4     | CPU  | AVX00075     |
| 5     | Cable Trigger Processor (CTP)              | AVX00075     |
| 6     | Signal Distribution Module (SD)            | AVX00075     |
| 7     | Serial Distribution Module (SD)            | AVX00075     |
| 8     | Export MTP adapter plate                   | AVX00075     |
| 9     | MTP to MTP jacked ribbon cable trunk       | AVX00075     |
| 10    | 1U panel for two 6-port MTP adapter plates | IC-112P      |
| 11    | SUB SYSTEM PROCESSOR (SSP)                 | AVX00075     |
| 12    | TRIGGER SUPERVISOR                         | AVX00075     |
| 13    | TRIGGER SUPERVISOR                         | AVX00075     |
